With 40.5%* still unreached, Crossover is committed being **RELENTLESS**. Praise God, this past year we have seen 48 new churches established in Central Asia! This brings Crossover's global total to 383 churches planted through to date. Incredible! This is a call for rejoicing, but this also gives us an opportunity for God to multiply our faith to "receive power to be His witnesses even to the ends of the earth", Acts: 1:8.

*Joshua Project, 2016

Relentless! Our workers seek to share the gospel and start new churches, but they also train nationals to do the work of ministry to share the gospel and bring people to Jesus, lead in worship, lead Bible studies, start new house churches and disciple new believers. We continue to hear reports of how God is being glorified as worshippers are multiplying.

A young man just recently came to faith because of the witness of one of the sisters in a meeting. M. has been sharing his faith with his friends. One of M.'s friends had a very vivid dream about heaven and hell right after coming to one of the meetings. Amazingly enough when he returned the next week, this man declared that he had put his faith in Jesus! Our church planter is having the privilege of taking M. into the Bible to better understand his dream, salvation & to learn how to walk as a follower of Jesus Christ.

Thank you for your commitment to extend the Kingdom of God through Crossover as we work together to provide access to the gospel.

Photos of M. and other believers who are gathered in a home to worship and study God's Word. I'm excited for the privilege of spending this Easter in Ankara. What a joyful Resurrection Sunday it will be to worship together with these believers who are faithful to the Great Commission!

At Crossover we believe that there is not a distinction of importance between overseas workers, office workers, donors and prayer partners. Together we are one **Relentless** team!

What a glorious Easter it will be for all of us as we celebrate what God is accomplishing among the unreached and unengaged nations of the world!

Praises & Prayer Requests

- * **We praise God as we see Him continue to work in areas where opposition from the enemy intensifies. There was yet another bombing in Ankara, the capital city of Turkey. Thankfully we are providing access to the gospel there.**
- * **Praise God that He continually brings joy in the midst of trials, supplies faith to persevere, and works globally to build His church.**
- * **As I will be traveling alone ... pray that I be filled with the Holy Spirit, confident in God's Word, victorious in spiritual warfare, and faithful in every opportunity to witness.**

 **I am praising God for supplying all my needs according to His riches in heaven! I am forever grateful to God and to those who support the work of global missions.**

Perhaps you feel led to give a one-time donation or to become a monthly partner, either would be greatly appreciated.
